Fatal Violence Against the - Human Rights Campaign
Sadly, 2020 has already seen at least 44 transgender or gender non-conforming people fatally shot or killed by other violent means, the majority of which were Black and Latinx transgender women. We say at least because too often these stories go unreported — or misreported. Since HRC began tracking this data in 2013, advocates have never seen such a high number at this point in the year.
